Matthew 25 Study Guide

The three parables in this chapter should be read together with the Parable of the Faithful Servant in chapter 24 verses 45 to 51. When they are, they together answer the question: What does it mean to be ready for the Lord's return.

WRITE. Summarize the answer to the question in one paragraph. Begin with a topic sentence. Use evidence from each of the four parables in developing your answer, and make reference to the parables as you compose your summary. End with a concluding sentence wraps up the point of the parable.
