

## **PROJECT #1**

**Create a poster of the events of Jesus' life.**

- 1 )Begin with a map of Galilee and Judea. You can find an outline map on several of the websites linked on the Messiah webpage. The map used here comes from the [www.bible.ca](http://www.bible.ca) site.
- 2) Place it in the center of the poster. Use colored pencils to add color and interest.
- 3) Identify the sites associated with Jesus as you read through the gospel. Place a picture you've gotten from the Internet and a short description of what happened at that location. Continue adding to the poster through your study.

Your poster will need to be large enough to allow for many locations. Your pictures and descriptions will have to be smaller than how the sample appears.

Bethlehem in 1880

This is where Jesus

was born.
